Everything we serve is guaranteed to be the best! So if you have a problem with anything you order, we’ll get you another one, or fix you something else, or take it off your bill—your choice! If more than one person comes by to see if we can do something for you, it’s just because we’re taking care of taking care of you. Because at Uncle Bud’s, “It’s more than good food, it’s a good feeling. Hopin’ this finds you in good health, I remain,
